Chris Brushi, father

Pro Prospects has turned my whole game around. Last year I was always pinch-hit for. This year I won my team MVP award and batted .400 at Nationals.

Since I started training here as a high school senior, my fastball has improved from 65 to 88 mph, I've developed two off-speed pitches and can locate everything.

Erik Lubniewski, Orange CCC

Pro Prospects has played such a big role in our league's development. Our coaches and players have learned so much. Also my sons train there and their progress has been remarkable. I highly recommend all their services.
