Where Great Athletes Are Made

Northeast Pennsylvania's New
Multi-Sport Training Facility

Park Street
White Mills, PA

Athletes in Northeast Pennsylvania will no longer need to travel for professional training or to play year-round.

The Sports Factory of Northeast Pennsylvania

a state-of-the-art 30,000 sq. foot multi-sport training facility is scheduled to open November 2015.

Our facility will be home to **Pro Prospects Baseball & Softball Training Center**, **T.A.S.S. Soccer** of Northeastern Pennsylvania & **Athletic Symmetry Training & Rehabilitation**

The Sports Factory of NEPA Will Also Feature

A 150' x 120' indoor field

(Can be divided into two 120' x 65' fields or a regulation baseball and softball infield)

- Five baseball/softball batting tunnels
- Two pitching mounds
- 1,600 sq. ft. strength & conditioning area
- On-site Sporting Good Store
- Outdoor Baseball, Softball & Soccer Fields
- Indoor & Outdoor Field Rentals for Soccer, Baseball, Softball, Football, Lacrosse, Field Hockey & Wrestling
- Batting Cage & Mound Rentals
- Indoor Soccer Leagues
- Indoor Flag Football Leagues
- Café with Guest Seating Area
- Party/Conference Rooms

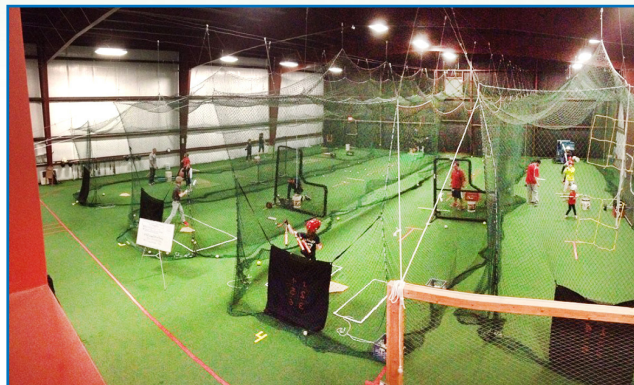

Professional Skill Development Since 1997

For 19 years, former minor league hitting Coach Steve Pinto and his staff have developed a reputation of excellence and attention to detail that sets the standard for all northeast baseball and softball training academies.

Their personalized skill development philosophy has helped more than 1,000 of its athletes play at the collegiate level and over 100 have played professionally.

Pro Prospects is also an exclusive partner with **Prep Baseball Report-NY**, a national scouting service which provides comprehensive recruiting opportunities to area players & is their Greater Hudson Valley (NY) hub. Our staff is comprised of former pro & college players & coaches with a combined 175 years of coaching & training experience.

Professional Skill Development Since 1989

Founded in Connecticut in 1989 by NSCAA registered & former NCAA and pro head Coach Gerry Linn, T.A.S.S. offers professional skill development and travel team options to area players. T.A.S.S. is dedicated to developing players ages 6 through 18 and has helped many of its students play at the collegiate level. Since moving the program to NEPA three years ago, Coach Linn and his staff have worked with more than 400 players and have developed competitive teams at all age levels. T.A.S.S. offers private and group training & the option to train year round & travel during the summer competing in premiere travel & showcase tournaments.

Athletic Symmetry, headed by the former **KC Royals strength Coach Stephen Gamma**, CSCS, includes injury-risk & performance assessments, sport-specific training & corrective exercise strategies. Their focus is recognition & correction of movement dysfunction which may limit athletic performance and increase injury risk effectively improves functional strength, speed and overall performance. Private, semi-private & group training available for all sports.
